TWENTY

SAT 5/18 @ 7PM
TO MID SUN

9404 W 164TH PL

**hello :) as you likely know,
it's never a simple bday
party w me**

it's been a while. life has happened.
updates on the other hand... have been
lacking.

please prepare a slideshow presentation
with all the major updates, tea, etc. from
this past semester

also in case you are wondering abt the agenda: dinner made by
me, bonfire night, + cute brunch moment in the morning
